

Zoo Apparel

Show your true colors on and off the flight line!

This is one gorgeous T-shirt! The shirt comes with logos on the front and back: a smaller one over the front left-hand area and a larger one on the back. All of your friends will be jealous that you've got colors and they don't.

The AMW Pro-X artwork is applied using a dye sublimation transfer process and shows the entire AMW Pro-X zoo in full color. A two layer polyester/cotton blend, utilizing polyester on the outside and cotton on the inside, the shirt makes use of the polyester layer for permanent application of the AMW Pro-X logos. The cotton inner layer is super soft and super comfortable.

It makes for a dirt-resistant, long wearing product, making it perfect for rocketeers everywhere.

T-shirts are priced at \$20.00 each (2XL and 3XL T-shirts are \$22.00 each).

Available in sizes: youth small (YSM), youth medium (YM), adult small (SM), adult medium (M), adult large (L), adult extra large (XL), adult two X large (2XL) and adult three X large (3XL). 2XL and 3XL are normally stocked items, but we sometime run out and may require special order.
