

AMW Pro-X now has 44 California OSFM approvals

Wednesday, 17 December 2008

GORMLEY, Ontario CAN — Cesaroni Technology Incorporated of Canada is pleased to announce the first in a series of California Office of the State Fire Marshal (OSFM) approvals for Animal Motor Works Pro-X reloadable motors.

More approvals are currently in process for the company in the state and are expected to be approved soon. The latest additions brings AMW Pro-X's California OSFM approved list total to 44 motors.
